WMS BEAT

September 2025

Dear WMS Musicians and Families,

I hope you all had a wonderful summer and are having a great start to the school year!

Thank you to those who voted for us for "Best of Gold" last spring - we won! We couldn't have done it without our incredible students, families, and teachers. You are the heart of everything we do. Your votes, your support, and your belief in our mission mean the world to us.

Just a couple of weeks ago, many WMS students auditioned for area youth orchestras. There was huge success and I'll post those results in the KUDOS section below.

WMS will soon be using a new software platform that will allow parents and students to do many things. Please stay tuned for that.

While our calendar is up on the website, I might be tweaking the December recital times. This winter, the church where we have our recitals doesn't have 2 days on the same weekend, so, we'll likely have one day of recitals Sunday, December 7 and then one day on Saturday, December 13th, and quite possibly, one recital weekend of Dec. 19.

We are going to have students perform at senior centers again this year. Stay tuned for the upcoming dates!

Here's to a great musical year!
Lisa

KUDOS!

During the summer some of our talented students were busy musicians!

Flutist Alma and Kian participated in the Charles Ives Music Festival. They performed in orchestra as well as chamber music concerts.

Kian also participated in the Manhattan School of Music Summer program where he played chamber music and in orchestra.

Flutist Emma participated in a BackCountry Jazz Summer Music Camp in Bridgeport. She also performed in the Wilton Children's Theater production of Beetlejuice and Wire Mill's production of Mean Girls.

Congratulations to you guys on your very musical and artsy summer!

In late August, 2024 students auditioned for area youth ensembles.

Songs are catchy, but so are germs!

If you're not feeling well, please do not come to your lesson in person in order to help keep our staff, teachers, students and families healthy.

We have many options available so you don't miss out on your lesson!

You can always have a virtual lesson and have your lesson from home, request a pre-recorded video lesson in advance of your lesson, or send a friend or family member in your place!

In the foreground, several white origami cranes are arranged on a dark surface, some appearing to be in motion or falling. A white envelope is also visible among the cranes. To the left, a framed poster or magazine is partially visible.
